EAST-WEST LOGISTICS CO., LTD.

East-West Logistics: A Pioneer in Thailand Since 1977

Founded in 1977, East-West Logistics (EWL) has been a key player in Thailand's logistics sector. As one of the first air freight forwarders, we've built a reputation for reliability and expertise in both air and sea freight.

Through strong international partnerships, we have expanded our global reach, offering seamless cross-border logistics solutions. Today, EWL is recognized as a leading air export master loader in Thailand.

At East-West Logistics, we are dedicated to upholding the highest standards of quality and compliance. Supported by AEO, ISO and DG certifications, our operations prioritize security, efficiency, and continuous improvement, ensuring peace of mind for our clients.

We aim to lead Thailand's logistics industry by delivering innovative and reliable solutions. Leveraging our expertise, advanced technology, and global partnerships, we offer flexible services that adapt to the changing needs of the market.

EAST-WEST LOGISTICS CO., LTD.

EWL Headquarters

EWL operates from a fully owned, state-of-the-art, solar-powered headquarters. Our facilities are designed to provide maximum efficiency, security, and scalability, ensuring seamless logistics operations while supporting our commitment to sustainability.
